ISSA – The Worldwide Cleaning Industry Association

Membership classifications (select one)

Associate membership – €355*/ £325*

Shall be open to firms which offer services to any class of members, as well as buying and/or selling groups or associations. It shall also be open to firms which sell products primarily for the manufacturing process.

Distributor membership - €355*/ £325*

Shall be open to those firms which occupy a place of business, a principal purpose of which is the sale of cleaning and maintenance products to commercial, industrial or institutional end users. The primary source of these products shall be the distributor's warehouse inventory which in turn is derived from several manufacturers.

Manufacturer membership - €515*/ £465*

Shall be open to those firms engaged in the manufacture of products for sale to members. This classification is also open to importers in North America from one or more international manufacturers for sale to members.

Manufacturer Representative membership - €355*/ £325*

Shall be open to those firms which are independent contractor sales representatives of ISSA manufacturer members.

Wholesaler membership - €355*/ £325*

Shall be open to those firms which occupy a place of business, a principal purpose of which is the sale of cleaning and maintenance products from several manufacturers to distributor members primarily from the firm's warehouse inventory. No sales shall be made to industrial/ institutional end users.

Cleaning Services membership - €355*/ £325*

Shall be open to those firms which offer cleaning or restoration services in the commercial market.

**This amount includes a Voluntary Foundation Contribution of €50/ £50 to sponsor educational scholarships.*

Deduct this amount if you do not wish to participate.

You will get a discount of €25/ £22 if you make payment via direct debit.

International Branch - €220/ £202

Membership shall be available for facilities that are separated geographically from the official ISSA membership and in which the official membership has a controlling interest and is within the same classification of business.

General company description: _____

Brand names:

Please include your company's brand names and a general description of the type of product for each brand name. If you have several to include, you may attach a separate typewritten page.
